Welcome to the CLOCS-A Newsletter!

CLOCS-A is centred around all road users sharing the responsibility for road safety in relation to construction logistics creating a win-win scenario for industry, government, truck drivers, major projects and the community.

News

- National Road Safety Action Plan To Reduce Road Trauma Released and Includes CLOCS-A

- NRSP releases another Heavy Vehicle Toolbox Talk. This month's topic is [Road Conditions](#)

CLOCS-A Updates

CLOCS-A Finalising the Standard

Consultation on the Draft Standard closed on 9 January 2023 with all of the feedback consolidated and allocated back to the Technical Group Chairs to address.

The final workshop to finalise elements of CLOCS-A has been postponed until late April to provide time for the Technical Groups to finalise the Standard.

CLOCS-A Audit and Accreditation Framework

The Steering Group held a workshop on 19 January where business rules and standards for auditing and gaining accreditation to the CLOCS-A standard were workshopped.

CLOCS-A Expression of Interest

The CLOCS-A Steering Group has approved the key selection criteria for the Expression of Interest to Host the program and established a selection committee to review proposals. The Expression of Interest process is planned to commence in the coming weeks.

Acknowledgements

This newsletter has been developed by the National Road Safety Partnership (NRSPP) on behalf of the CLOCS-A project.

We would like to acknowledge the CLOCS-A Steering Group, Supporting Partners and NHVR HVSI Funding.

Steering Group
