About CLOCS-A

Experience the transformative power of CLOCS-A (Construction Logistics and Community Safety Australia) – your key to revolutionising construction logistics while enhancing community road safety nationwide!

Crafted as a beacon of excellence, CLOCS-A draws inspiration from the proven success of its UK counterpart, the CLOCS Program.

By providing a standardized framework, CLOCS-A empowers the construction industry to navigate risks and impacts associated with on-road transport activities seamlessly.

Our mission? To mirror the astounding reduction in road trauma witnessed overseas, fostering safer roads and brighter futures for Australians.

*Embrace
CLOCS-A today
and be a part of
the movement
towards safer,
smarter
construction
practices!“*

CLOCS-A Membership

Unlock a world of advantages with CLOCS-A membership, tailored for organisations dedicated to revolutionising road safety and efficiency in construction and logistics.

Dive into a treasure trove of resources, including cutting-edge best practices and guidelines meticulously designed to foster seamless collaboration and adherence to the esteemed CLOCS-A standard.

By embracing CLOCS-A, you showcase your unwavering commitment to cultivating safer, more sustainable urban landscapes through innovative construction logistics practices.

But that's not all – membership also opens doors to exclusive networking opportunities with industry titans and thought leaders, empowering you to stay at the forefront of industry trends and regulatory shifts. Together, let's pave the way for positive change and forge safer communities for generations to come.

Join the CLOCS-A movement today and become an integral part of the solution!“

Benefits

Recognition

Be recognised for your contributions to corporate social responsibility in promoting community safety.

Support

Receive assistance throughout your journey to meet the CLOCS-A standard.

Networking

Connect with industry professionals who share your focus on safety and vulnerable road users (VRUs).

Participation

Shape the construction industry by proposing creative practices that can improve both the industry and community safety.

Professional Development

Encourage your staff's professional development by utilising your CLOCS-A membership and training programs.

Promotion

Showcase your company services through the CLOCS-A website and digital publications.

Membership Plans

Fostering safer, more sustainable communities through responsible construction logistics practices.

Government

By joining CLOCS-A, government agencies can become integral contributors to a collaborative network that focuses on advancing best practices, fostering innovation, and ensuring that construction activities align with the highest standards of safety and community impact.

Construction/ Developer

CLOCS-A is a top-tier organisation that strives to promote safety, sustainability, and community welfare in the Australian construction industry. By enrolling in the Construction/ Developers Membership, you can take the first step to becoming an industry leader committed to high construction logistics standards.

Transport Operator

By joining, you will have the opportunity to contribute to safer, more sustainable construction practices that prioritise efficiency and community safety. CLOCS-A empowers transport operators to be part of a dynamic network where their dedication to excellence in construction logistics aligns seamlessly with a collective mission for a safer and more sustainable future in Australia.

Support Services

As a CLOCS-A Support Services Member, you will have the opportunity to actively contribute to the promotion of safer and more sustainable construction logistics practices. By joining CLOCS-A, you will be part of a community dedicated to improving safety standards in construction logistics and reducing the risk of collisions between construction vehicles and vulnerable road users.
