The screenshot shows the Gearbox Support Central website. At the top left is the Gearbox logo. To its right are links for 'Back to website' and a 'Categories' dropdown menu. The main heading is 'Support Central' with the subtext 'Search our knowledge base or submit a ticket.' Below this is a search bar with a magnifying glass icon and the placeholder text 'Search...'. Underneath the search bar, it lists 'Popular searches: how to login, system settings, add a fault report'. The 'Knowledge base' section features four cards: 'Gearbox' (with a gear icon) providing guides on the Fleet Maintenance and Compliance system; 'Prestart' (with a power button icon) providing guides on the Prestart app; 'NHVAS' (with a map of Australia icon) providing guides on configuring Gearbox for NHVR requirements; and 'Gearbox News' (with a megaphone icon) providing upcoming enhancements and release notes.

The screenshot shows the Gearbox website homepage. At the top, there is a navigation bar with the Gearbox logo and links for Features, Integrations, Pricing, and Start trial. On the right side of the navigation bar, there are input fields for Username and Password, a Login button, and a link for Forgot?. The main content area features a large heading: "Better fleet maintenance and compliance". Below the heading, there is a paragraph of text: "Forget all the spreadsheets and complicated, outdated, clunky software. Gearbox is the easiest way to manage fleet maintenance and compliance." At the bottom of the main content area, there are two buttons: "Start free trial" and "Sign up". Below the buttons, there is a small line of text: "Start your free 14-day trial, no credit card necessary." The background of the main content area is dark blue with a grid of icons representing various fleet management features.
